## 2024 FIRE DISTRICT BUDGET MESSAGE & ANALYSIS

## Pine Hill Borough FD No. 1

### FISCAL YEAR: January 1, 2024 to December 31, 2024

Answer all questions below using the space provided. Do not attach answers as a separate document.

1. When is the Fire District's annual election? (February and/or November)	
If November, was the resolution submitted to the Division?	

November	
Yes	

2. Complete a brief statement on the 2024 proposed Annual Budget and make comparison to the 2023 adopted budget.

The 2024 proposed budget provides funding to maintain the fire district's current level of service to the residents of Pine Hill. The 2024 budget increased \$46,373.27 over the 2023 budget. The main reason for the increase is wages. Contractual wages increased \$33,000 in 2024. Wages, pensions, healthcare and fringe benefits account for 61.51% of our 2024 budget and federal funds we have been receiving for two firefighters hired under a SAFER grant will end in March 2024. Also, please note that a new commissioner was elected in the November election. Newly elected commissioner, Christopher Harris, will take office on December 5, 2023.

3. Explain any variances over +/-10% for each line item. Attach in FAST any supporting documentation that will help to explain the reason for the increase/decrease in the budgeted line item.

On the revenue side, our operating grant revenue will drop by 59.5%. This decrease is due to two reasons. First, our grant under the American Rescue Plan Firefighter Grant was for 2023 only and was fully utilized. The second reason our grant revenue decreased is because our FEMA SAFER Grant expires on March 12, 2024. This grant was used to hire two full-time firefighters and the grant funded to cost for three years. We sold a vehicle in 2023 for \$10,600 and it is listed as revenue in our 2024 budget showing a 100% increase in Sale of Assets. On the appropriations side, there was a decrease of 14.2% in fringe benefits in the administration budget and an increase of 24.5% in fringe benefits in the Operations budget. These differences are due to reallocating the healthcare cost evenly among the seven employees eligible for healthcare coverage. In the administration budget, there was a 13.3% increase in professional services for medical exams. The cost of medical exams has increased and the fire district conducts a yearly in-house medical exam for all firefighters, including volunteers. There was a reduction of 57.1% under professional services for EMS/EAP. EMS operations have stablized since our last EMS vendor halted operations without warning. Funds were set aside to cover the added cost of EMS operations. However, the Borough of Pine Hill contracted with Inspira to handle EMS calls which greatly reduces the burden on the fire department. Computer maintenance and support increased by 36.9% due to the Insurance JIF mandating increased cyber security protocols, which has increased our cost by \$9,600. In the Operations budget, there was a 42.9% increase in training & education because it is very important that our firefighters receive the proper training and education needed to perform their critical jobs. There was a reduction of 33.3% under smoke detector promo program to help offset the increased cost in training and education. There was a 100% decrease under American Rescue Plan FF Grant because this grant has ended and was fully utilized in 2023.

4. Complete a brief statement on the impact the proposed Annual Budget will have on the Amount to be Raised by Taxation, the use of the Restricted and Unrestricted Fund Balance(s) and how they are complying with the Property Tax Levy Cap. If Unrestricted Fund Balance is reduced by more than 10%, explain the projected impact on the following year's budget.

The amount raised by taxation increased by \$72,022.36 which is in compliance with the 2% levy cap calculation and is nearly 12% lower than the previous year. The increase is needed to cover the rising costs of wages, pensions and benefits. We hired two full-time firefighters using a 2019 FEMA SAFER Grant. The grant ends on March 12, 2024, afterwhich the fire district is responsible for the full cost of the additional firefighters. The commissioners are committed to not laying off the firefighters once the grant ends. They are truly needed. In an effort to reduce the burden on the taxpayers, the commissioners are using \$115,708.68 from our unrestricted fund balance to help offset the tax increase to the residents. The reason so much is needed from unrestricted funds is because of the loss of grant income.

# FISCAL YEAR: January 1, 2024 to December 31, 2024

Answer all questions below using the space provided. Do not attach answers as a separate document.

5. Does the Fire District plan on exceeding the Levy Cap? If so, please provide a statement with the reasons for exceeding
the Levy Cap and identify the appropriations that caused the Fire District to exceed the Levy Cap, and how they are being
addressed by a referendum.
No, the fire district does not plan on exceeding the levy cap.
6. If the Fire District plans to pass a Resolution for the Release of Restricted Fund Balance to be used in the 2024 proposed
operating budget, explain the reason and purposes of the appropriation.
Not applicable.
7. Complete a brief statement on the Annual Budget's proposed capital appropriations including debt service for the
proposed budget year and for future years.
The commissioners set aside \$70,000 in the 2024 budget for future capital outlays. In 2024, we will make the final payment on our
Engine truck, which is our only outstanding debt. All other fire trucks, support and command vehicles are debt free. The commissioners
are trying to build up a reserve in capital funds because our fire trucks are aging and will need to be replaced or refurbished in the future
Building up a capital reserve account will reduce the amount of borrowing needed for future purchases.
8. If the proposed Annual Budget contains an amount for a Cash Deficit of the Preceding Year pursuant to
N.J.S.A. 40A:14-78.6, then explain the reasons for the occurrence of the deficit.
Not applicable.

### FIRE DISTRICT SCHEDULE OF COMMISSIONERS AND OFFICERS

# Pine Hill Borough FD No. 1

#### FISCAL YEAR: January 1, 2024 to December 31, 2024

Complete the attached table for all persons required to be listed per #1-2 below.

- 1) List all of the Fire District's current commissioners and officers and amount of compensation from the Fire District. Enter zero if no compensation was paid.
- 2) List all of the Fire District's former commissioners and officers who received more than \$10,000 in reportable compensation from the Fire District during the most recent fiscal year completed.

Commissioner: A member of the governing body of the Fire District with voting rights. Include alternates for the purposes of this schedule.

Officer: A person elected or appointed to manage the Fire District's daily operations at any time during the year, such as the chairperson, vice-chairperson, secretary, or treasurer. For the purposes of this schedule, treat the Fire District's top management official and top financial officer as officers, if applicable. A member of the governing body may be both a commissioner and an officer for the purposes of this schedule.

Compensation: All forms of cash and non-cash payments or benefits provided in exchange for services, including salaries and wages, bonuses, severance payments, deferred payments, retirement benefits, fringe benefits, and other financial arrangements or transaction such as personal vehicles, meals, housing, personal and family education benefits, below-market loans, payment of personal or family travel, entertainment, and personal use of the Fire District's propert. Compensation includes payments and other benefits provided to both employees and independent contractors in exchange for services.
