# 2026 FIRE DISTRICT BUDGET MESSAGE & ANALYSIS

Pine Hill Borough FD No. 1

**FISCAL YEAR: January 1, 2026 to December 31, 2026**

*Answer all questions below using the space provided. Do not attach answers as a separate document.*

1. When is the Fire District's annual election? (February and/or November)

November
Yes

If November, was the resolution submitted to the Division?

2. Complete a brief statement on the 2026 proposed Annual Budget and make comparison to the 2025 adopted budget.

The 2026 proposed budget provides funding to maintain the fire district's current level of services to the residents of Pine Hill. The 2026 total budget increased \$44,363.33 over the 2025 budget. Increases in wages and benefits continue to be a challenge to the fire district. We hired two firefighters in March of 2021 with funding for three years coming from a FEMA SAFER Grant. The grant has ended and the fire district is 100% responsible for the wages and benefits for these two firefighters going forward. The fire district is committed to not laying off any full-time firefighters; they are an asset to the fire district. In September of 2025, the fire district was awarded another FEMA SAFER Grant that will be used from 2026-2029. On a positive note, the fire district has paid off its loans on all of our fire district vehicles with the final payment made in 2024. The lack of debt helps in keeping our budget increases lower for 2026. However, we continue to put funds away for future purchases of fire district vehicles. One final note, we had one full-time firefighter resign in September. The Board is actively pursuing replacing the firefighter who resigned.

3. Explain any variances over +/-10% for each line item. Attach in FAST any supporting documentation that will help to explain the reason for the increase/decrease in the budgeted line item. Be sure to include ALL items for F-2, F-3, and the detail sheets.

Administrative fringe benefits increased by 12.1% largely due to increase in pension and health benefits. We do not have longevity pay. We allocated healthcare costs evenly among the employees as done in prior years. We will continue to put restricted funds away each year for future purchases. For 2026, we increased the amount of capital funds by \$30,000 since we currently have no debt payments. The fire district has been able to keep administrative and operations expenses (not included wages and benefits) at a minimum.

# 2026 FIRE DISTRICT BUDGET MESSAGE & ANALYSIS

Pine Hill Borough FD No. 1

**FISCAL YEAR: January 1, 2026 to December 31, 2026**

*Answer all questions below using the space provided. Do not attach answers as a separate document.*

4. Complete a brief statement on the impact the proposed Annual Budget will have on the Amount to be Raised by Taxation, the use of the Restricted and Unrestricted Fund Balance(s) and how they are complying with the Property Tax Levy Cap. If Unrestricted Fund Balance is reduced by more than 10%, explain the projected impact on the following year's budget.

The amount raised by taxation in the 2026 budget will increase by \$69,535.83. This increase is compliant with the 2% cap plus exclusions permitted in the budget. We continue to need funds from our unrestricted fund balance to balance the budget. We have been fortunate through sound financial management to not use the entire unrestricted amount budgeted each year. It is getting harder each year, especially with the increasing costs for pensions and health insurance. In an effort to reduce the burden on the taxpayers, the commissioners are using \$72,309.32 from our unrestricted funds to help offset the tax increase to residents. The main reason we are using less unrestricted funds than last year is because we will be receiving grant funds in 2026.

5. Does the Fire District plan on exceeding the Levy Cap? If so, please provide a statement with the reasons for exceeding the Levy Cap and identify the appropriations that caused the Fire District to exceed the Levy Cap, and how they are being addressed by a referendum.

No, the fire district does not plan on exceeding the levy cap.

6. If the Fire District plans to pass a Resolution for the Release of Restricted Fund Balance to be used in the 2026 proposed operating budget, explain the reason and purposes of the appropriation.

Not applicable.

7. Complete a brief statement on the Annual Budget's proposed capital appropriations including debt service for the proposed budget year and for future years.

The fire district has no debt payments in 2026. Therefore, the fire district increased the amount it is putting away for capital projects by \$30,000. We continue to set funds aside for future capital projects because our fire trucks are aging and will need to be replaced or refurbished in the near future. Building up our capital reserve account will reduce the amount the fire district will need to borrow in the future.

8. If the proposed Annual Budget contains an amount for a Cash Deficit of the Preceding Year pursuant to N.J.S.A. 40A:14- 78.6, then explain the reasons for the occurrence of the deficit.

Not applicable.

9. Does the Annual Budget appropriate such sums as it may deem necessary for the purchase of first aid, ambulance, rescue, or other emergency vehicles, equipment, supplies and materials for use by a duly incorporated association, pursuant N.J.S.A. 40A:14-85.1? If so, provide the organization's incorporated name and amounts.
